In March 2004, CIP's Board of Trustees chose Pamela Anderson to assume duties as Director General upon the retirement of Dr. Hubert Zandstra at the end of April 2005. Dr. Anderson (USA) joined CIP in June 2002 as Deputy Director General of Research. Since then, she has guided the Center through its visioning and realignment exercise, bringing CIP's research and development program into harmony with the UN Millennium Development Goals and Targets.
